### Storage and Handling:

To prevent damage, store liquid emulsion and cement in a clean, dry location, covering as necessary to protect from environmental damage. Monitor environmental conditions during storage, handling, and application.

### Product Specifications:

Bucket Size*	25.0L
Bucket Height	34.0cm
Bucket Diameter	27.0cm
Bucket Weight	20 kg
Full Pallet Weight	1.2 ton

Note: Weidun provide tailored design solutions for bucket size to meet your specific needs, please contact your sales representative for support.

### Advantages:

- Excellent waterproofing and Immersion;
- Weather resistant and high elongation;
- Environmental friendly;
- Ease of apply;

### Product Application:

wd-waterproofing.com

### Technical Data Sheet:

Property	Standard Minimum Value	Weidun Value
Solid content (%)	70	72
Tensile strength	No treatment (Mpa)	1.2
	Heat treatment retention rate (%)	80
	Immersion treatment retention rate (%)	60
Elongation at break (%)	No treatment	200
	Heat treatment	150
	Immersion treatment	150
Adhesive strength (Mpa)	No treatment	N/A
	Heat treatment	N/A
	Immersion treatment	N/A
Low-temperature flexibility, at -10 °C	No crack	No crack
